Kindergarten, July 17—
One hundred per cent crop loss
was caused at Kindersley by a
hailstorm at five o'clock Saturday
afternoon. The stones were the
size of golf balls. A great deal of
Imperial Oil company's drill No. 1
plate glass in the town was shattered,
and all windows in the west
and north walls of the buildings
were also down. The storm passed
over Devon, Alberta, earlier in the
afternoon.

GAS AND OIL ARE FOUND
AT POUCE COUPE

Rolla, B.C. July 16—After
having operated but two days, the
oil on section 23, township 50, range
13, encountered a gas flow of
sufficient pressure to operate the
cutoff. This morning an oil
mixture is appearing at a depth of
150 feet. The showing is regarded
as being most encouraging.

DEATH OF P. BAKER

The Herald announces, with
very sincere regret, the death
of Rev. Percival Baker, mem-
ber elect for Ponoka consti-
tuency, and vice president of
United Farmers of Alberta.

Mr Baker was severely in-
jured on June 20th by being
struck on the back of the neck
by a falling tree.

For a time he appeared to
be doing nicely, but later a
change for the worse was
noticeable, and he was moved
to the hospital on Thursday.
The funeral will be in Ponoka

Successful Picnic At Seafield

The Seafield U.F.W.A. local
held a picnic on Wednesday, July
14th, in Mr Merrill's grove. The
day was fine for a picnic, and
the attendance was large, visitors
coming from the different districts
helped to make the day one that
we will all remember.

At noon a bounteous dinner was
spread on the tables, and every one
was asked to enjoy it. After dinner
the sports committee took
charge. The sports were as
follows—Races for girls and boys,
young men and women, married
women and fat women; three
legged race and potato races were
all entered into heartily and keenly
contested.

Immediately after the races
everyone was invited to be seated
while Mrs C. C. Reed and Mrs
Henry autographed the picnicers
with a song. Then C. C. Reed
gave a very interesting address on
the U.F.A. platform. This was
listened to very attentively and
was enjoyed by all. After the
address, ice cream and cake were
served, and then the ball game
began between the girls and boys.
The girls played a good game and
so did the boys although they were
handicapped by having to play
left handed. The score was 11 to
6 in favor of the girls.

The married men also played a game
against the young men, and single
men were defeated by a score of
9 to 6.

Two accidents occurred during
the games although not very
serious. Harry Ireland was hit
with a bat on the leg, and Earl
Jones was injured on the face with
the ball.

The picnic was brought to a
close after the game, everyone
wishing that the picnic would be
an annual affair. In the evening
a dance was given in Lex's barn.
The officers desire to thank all
those who contributed towards
making the day a success.

DEATH OF MISS PEARL E. M. EMERSON

Pearl Emma May Emerson was
born at Bonkleman, Neb., June 1st,
1903, and died July 2nd, 1921. She
had to mourn her demise her
father and mother, Mr and Mrs
Ole Emerson, a sister, Mrs W. E.
Cook, of Ponoka, a sister, Mrs H.
H. Miller, of Selkirk, brothers,
A. D. Johnson, of Merna, and
William Emerson, at home.

The immediate cause of death
was brain fever, resulting from
croup.

Death took place at the home of
deceased's parents on July 1st, and
interment took place in the Merna
cemetery following the funeral ser-
vice which were held at the Merna
church, conducted by the Rev. D.
W. Pomeroy.

Farmers Have 39 Seats Out of 61

P. BAKER ELECTED IN PONOKA BY 544 MAJORITY

The Stewart Government suffered defeat in the election
on Monday, and the United Farmers of Alberta will have
control of the next legislature.

Among those defeated are Hon. Duncan Marshall, of
Oils, Hon. Geo. P. Smith, of Camrose, and Hon. Archie
McLean, of Taber.

The north country stood fairly
well by the government, while the
rest of rural Alberta was practically
a unite for the Farmers. Elmon-
ton returned five Liberals,
and Calgary has 2 Labor, 2 In-
dependents and 1 Liberal.

While it was conceded that Mr
Baker would win out, an active
fight was maintained till the close
of the polls. More especially was
this the case in town, where the
Liberals were exceedingly active in
getting the voters to the polls. It
was known that the next would
give Dr Campbell a majority, and
this stimulated the hopes of his
friends. The doctor had a major-
ity of 68 in Ponoka, while Rimby
gave a majority of 92 in his favor.

While the fight was keen, little or
no personalities were indulged in,
and now that it is over, things are
back to normal.

Following are the results by
polls in the constituency—

JOTTINGS
OF
TOWN AND
DISTRICT

Local News.

Make ready for the fair, on August 25-26.

Boscoe Frye and son, Hubert, of Chesterfield, are leaving on a trip to Eastport, Idaho.

Miss Sara Grey, of Edmonton, is spending a few days in town with her old chum, Nellie Gordon.

Hans Rohrer is enjoying a visit from his parents, of Drain, Oregon.

Mrs Roy Doney and children, of Red Deer, are visiting with her parents, Mr and Mrs J. A. Dick.

R. K. Allan and son, Fred, are visiting in our midst for a few days.

Miss Dorothy Drummond is spending the holidays with her sister, Mrs L. Gault, of Leduc.

Mrs E. M. Leoney, of Yorkton, Saskatchewan, who has been visiting for a few days with her aunt, Mrs F. E. Crawford, left for her home on Saturday.

Willie Steele was taken to the Red Deer hospital last week and operated on for appendicitis. He is doing very well, and may be home by the end of the week.

Miss Margaret and Miss Mary Slater, of South Dakota, are visiting with the former's brother, Richard, and other friends in town.

Dr. Boyd will be in attendance at the Alberta dental meeting in Edmonton on Wednesday-Saturday, July 20th to 23rd.

This has been an ideal week for the crops. Plenty of rain and now warm sunshine. All grain is coming along fast, and the garden are looking beautiful. Ponoka should have a very fine crop.

The Union Church has just had a fine artistic and substantial fence placed round the church property. This is a splendid idea, and rebounds credit on all concerned, not to mention the contractors, Messrs George and John Laycock. Such a close woven fence is bound to hold the flock.

Misses Gertrude and Caroline, Harry, Arrow and Ernest Malchow, of Staveley, were in town Saturday, on route to visit with their sister at Ryley. The party will visit with friends in this vicinity on their return journey.

The Agricultural Society Directors are working hard on the forthcoming fair. The prize-list is in the printers' hands, and will soon be published. It is up to the people, town and country, to make the fair a success. August 25 and 26 are the dates.

Miss Edgoborg Hindorff, the daughter of Rev. and Mrs E. Hindorff, of Water Glen, who has spent several years of advanced music studies at Brandon College, Brandon, Man., has recently passed with honors the examinations for the degree of A.T.C.M., Associate of Toronto Conservatory of Music. Miss Hindorff is spending her summer vacation at the home of her parents at Water Glen, and is expected to return to Brandon in the fall.

WILLIAMS.—On Friday, July 15, to Mr and Mrs Owen Williams, of Carleton, a son.

And so our old college chum, Archibald M. Matheson, has been elected for the constituency of Vegreville by a good majority. The Herald, along with his many friends here, extend congratulations. May his political career be a brilliant one.

Rev. C. Bishop attended a meeting of the Religious Educational Council of Alberta, at Calgary last week. He reported splendid progress had been made in Trail Ranger and Tuxis Square boys' work throughout the province, scores of new organizations having been established. The work is being continued under the energetic leadership of Mr Wallace Forgie and the provincial Sunday school secretaries. Miss Story, of the Girls' Work Board, is prosecuting similar work for girls, with remarkable success.

In order to assist them in raising funds for their summer camp and to provide equipment for their Trail Ranger work, the local boys' club are holding a tag day and serving tea, refreshments and ice-cream at A. Reid's building on Saturday, July 23.

The fire bell rang early Sunday morning, and there was a rush to the fire station. No smoke or fire to be seen, and for a time it was thought to be a primrose call of the faithful to the polls. It was this wise—the mattress "they" were lying on had caught fire and it took a fire extinguisher to do the work.

A lawn social will be held at Ed Schukli's at eight o'clock Wednesday, July 27. Home-made ice-cream and cake, coffee and doughnuts. Money to be used for the purchase of a musical instrument for Sylvanville schoolhouse.

Lost between Ponoka and A. B. Fraser's, town line coat, log chain. Finder please leave same at Herald Office.

Climax

The crops are coming along fine since the recent shower. Hay crop prospects are well improved. H. M. Pugh has been using new potatoes from his garden for over two weeks.

The result of the election in Climax was 43 to 5 in favor of Baker.

The U.F.W. met at the home of Mrs. R. H. Howley last Wednesday. A large number of members were present, and one of the most enthusiastic meetings ever held took place. Of course politics was the main topic under discussion. High honor is due Messrs. E. E. Owens and J. V. James, they being the only men brave enough to be present among such a number of ladies. They are welcome to come to other meetings and bring other male friends.

Glen Fallow & Vicinity

Lawrence and Sam Doran are enjoying a visit with their mother from Marysville, Missouri. Mrs. Doran is nearly seventy years old, and been a resident of Missouri for nearly 20 years, but she seems favorably impressed with our fair country. She says that many consolidated schools and public improvements down there. Taxes are so high, it is not very profitable to own property there of late. The same cry comes from other places in the States. It would be well for us to profit by their experience.

Jack Tobler has been spending his time walking the range hunting his horses. Some job.

Mr. Palchek had a nice auto ride in the rain last Thursday night. The car went in the ditch, and he had to walk home, but he was so pleased with the rain that he kept on smiling.

Water Glen

The Water Glen Local of the U.F.A. were entertained by the bachelors of the district. The boys put forth every effort to make the evening a success. Supper and ice cream was served to about fifty people. All had a good time, and are looking forward to a repetition of the same. The next meeting will be held at the home of Mr. and Mrs. Edwin Erickson on Thursday, August 11. Do not forget that this local is ever ready to welcome new members.

Mrs. Stanley Sengrave and Miss Stabenfeldt were the guests of J. F. Dunkerley Wednesday evening.

The people of this district are pleased to learn that Mrs. Heich is recovering nicely after her serious operation, which took place in Edmonton last week.

Emil and Lilma Dufka and Arthur and Minna Ringwald returned from their trip to Banff last Wednesday.

Mr. and Mrs. O. W. Johnson and Mr. and Mrs. W. Larson were guests of Mr. and Mrs. E. Gustavson on Sunday last.

A large number of our people attended the Swedish Lutheran convention which was held last Thursday.

Class A. Johnson, Aug. Johnson, Otto Johnson and E. W. Howitt attended the W. H. Wood meeting, held in Ponoka on Friday evening. Those in attendance had a great treat.

Nellie Bolch returned from Edmonton on Friday, having spent the week at the hospital with her mother.

Preston Bolch was stung on the arm by a horse fly and had to have medical treatment.

OVER TAXATION

Blackfalds, July 11, 1921.

Mr. Editor, Dear Sir,—What W. K. Wilson wrote and told you, and which you published recently as to the single tax being a fraud, and that the country would have been better off had the premier, the legislative members, town and municipal secretaries and school trustees died before they were born, is certainly quite right, and up to date.

As regards the high taxes, don't Mr. Wilson know that what the wealthy class in the province has saved in that respect if they had paid taxes like they ought to the twenty years or more would run into millions and millions of dollars. If course any sane person can understand that and afford to pay, and undoubtedly did pay a good price for being favored like that. What does it matter then that thousands of poor people in the province, some after going through the most cruel hardships through over taxation, surely no poor man has got any business to live, or even exist, and let any land of his own in this province.

In the U.F.A. going to stand for such terrible cruelty and oppression? As one that has been through the mill, I know what I am writing about, and can prove that I have stated and ten times more with good substantial evidence. Yours truly,
